Charity Number: 286432

I would like to take this opportunity to say a warm and sincere thank you to you for your generosity and support of St. Joseph's annual Auction of Promises fundraising event. Last year our fundraising auction raised over £80,000.

As we are restricted by lack of government funding – we are entering our third year of a school budget freeze – it is vital for the continued success of St. Joseph's to raise money each and every year. In the past, funds raised have been used to help complete the Nursery and Reception classes, a new playground, computer suite and a new school hall. This year the money raised will be aimed, in particular, at the much needed refurbishment of some classrooms as well as ensuring that the very valuable two-teacher system is maintained. None of these projects, past or present, could be achieved without the generous support of the local community, businesses, families and friends.

On behalf of staff, children and members of the School Association of St. Joseph's please accept our heartfelt gratitude.

Your support is greatly appreciated.

C. M. McKEEVER.
